Individual client session planning and instruction

Guidance for selecting a client

Your client must be:

- A real person, with specific and legitimate goals agreed with you, the learner, which will also form part of the summative assessment
- Apparently healthy and have no medical conditions which would be considered outside of a gym instructor's or personal trainer's scope of practice and able to take part in the planned session
- In the event of an unforeseen circumstance that means the client cannot participate in your summative observed session, another person can take their place; however the following criteria must be met:
- The replacement client must be apparently healthy and have no medical conditions which would be considered outside of a gym instructor's or personal trainer's scope of practice and able to take part in the planned session, or able to take part following reasonable adaptations.

When using a replacement client you must make any planning adaptations prior to the summative observed session and be prepared to adapt the actual session as it progresses.

All observed summative exercise sessions must take place within an environment appropriate for the client and planned session.

All of the assessment documentation and checklists have been developed to ensure that the learner is able to plan and instruct sessions designed to meet their client's goals, whilst also being able to monitor intensity, motivation, effectiveness and make the appropriate adaptations to ensure that their client is able to progress towards their goals, providing client-focused results and customer satisfaction.

*** Formative (Continuous) and Summative observation guidance**

A formative (continuous) observation is a flexible assessment format which allows the completion of an assessment on one or more occasions. For example, the consultation assessment may involve your assessor observing the whole consultation with your client in one session, or they may observe each section during different parts of the course.

A summative observation is where the assessment takes place on one occasion. For example, the programme delivery will be observed and assessed in one session.

To be considered competent, the learner must be professional and adhere to legal and organisational requirement at all times. During your observations you must demonstrate these behaviours in order for all criteria to be signed off.

Educate Fitness Appeals and Complaints Procedure

Your Teaching and Learning Mentor will provide you with help and advice with regard to the requirements of your award. This may take the form of giving you assignments and/or activities to check your understanding. The training that you receive will be individually planned to suit your needs.

We hope that all feedback given to you will be constructive and clear and will encourage you to complete the work for your award as effectively as possible.

If you are not happy with any aspect of your programme we will do our best to help you deal with the issue. This may mean talking to your Teaching and Learning Mentor on your behalf to help overcome the problem.

Your Teaching and Learning Mentor will do their best to support you, however we do appreciate that there may be times that issues arise that you would prefer not to discuss with your Teaching and Learning Mentor.

If for any reason you disagree with a decision made by your Teaching and Learning Mentor you have the right to appeal that decision. How to do this is written below.

What you can do if you don't agree with your Teaching and Learning Mentor's decision

If you feel that you have been unfairly treated or you do not agree with an assessment decision that has been made you should follow the procedure below:

- You should express your concerns directly to your Teaching and Learning Mentor, stating what the problem is so that the Teaching and Learning Mentor can explain their decision to you.
- If an agreement cannot be reached, you can arrange to discuss the issue with your Internal Verifier.
- If an agreement cannot be reached at this stage you should contact the Lead Internal Verifier in order to reach an agreement.
- If you decide you want to appeal the assessment decision you have the right to do so but your appeal must be emailed to: appeals@educatefitness.co.uk. Your appeal must be received within 5 days of the assessment decision.
